

What Is Discover Scuba?

This is an opportunity to try scuba without committing to an entire certification class. A dive instructor from Sub-Aquatic Sports & Service will show you how to use scuba equipment in a local pool. This session lasts 1 to 1 1/2 hours and you will learn about the equipment, learn what's involved with diving in our area and spend approximately 30-45 minutes under water. Everyone will have plenty of personalized attention. This class is not a scuba certification.
