In-house repairs generally take 10 days to complete. Manufacture repairs can and do take significantly longer. Once completed, we will call with a repair cost and shipping fees. A credit card payment is required at that time. Sub-Aquatic Sports & Service is not responsible for equipment not paid for and left at the store for more than 90 days. After that time, we will sell the items to recover the repair costs.

Sub-Aquatic Sports & Service  
 347 North Helmer Rd – Battle Creek, MI 49037
