

## Decompression Stops of Kalamazoo – October 22

It was a perfect fall evening for SASS' first pub crawl called "Decompression Stops of Kalamazoo". Thirty people made the rounds to Wild Bull, Old Dog Tavern, Shakespeare, The Beer Exchange and Green Top.

Games and prizes were given out throughout the evening. Karen Clemons won for having the most signatures on her SASS T-shirt. Stacy Booth won a 'treasure' for collecting the most gold chocolate coins, Alan Felmeden won a \$25 Gift Card for bringing the most non-divers to the event and Napoleon Perez won a free scuba class.

Thanks to everyone who joined us!
